

YOU'RE IN GOOD COMPANY
A SINGLE SOURCE TECHNOLOGY PROVIDER

RECYCLE, REFURBISH & REDEPLOY

Did you know that on-the-spot fines for improper disposal of electronics could easily reach upwards of \$25,000.00 per violation, per day?

As your full-service technology partner, ICAS® understands the importance of ROI, data security, and maintaining compliance when it comes to your end-of-life electronics.

This is specifically why we've formed a strategic, global alliance enabling us to implement a full-circle approach, which empowers you to simultaneously:

- RECYCLE** your electronic assets securely and responsibly
- REDUCE** liability to your organization
- MAXIMIZE** the ROI of your outdated electronics

OUR OPERATIONS ARE PROCESS-ORIENTED AND OUR PROACTIVE MANAGEMENT APPROACH FEATURES:

- Assurance of Data Security
- Environmental and Regulatory Compliance with Sarbanes-Oxley, Gramm-Leach-Bliley, HIPAA / HITECH and FACTA
- Current Market Valuation and Residual Value Forecast
- An Auditable Downstream, Chain of Custody, and Full Accountability
- Expert Remarketing of Secondary Electronics Through Our Relationships With End Users, Resellers, and Wholesalers
- Cost-optimized Refreshes and Upgrades
- Proactive Monitoring, Notification, and Portfolio Valuation (based on ever-changing market conditions) Throughout the Risk Management Process
- Specialist-recommended Actions to Maximize ROI
- Comprehensive and Detailed Reporting

With over 40 facilities around the globe, we seamlessly manage the entire service value chain, providing cost-effective and sustainable reverse logistics solutions for hundreds of customer organizations.

WE MAKE IT EASY TO BE GREEN...AND IN THE GREEN.
