Continued on Back

ICAS, the backbone of powerful business, since 1979.

ICAS supports schools at every level by installing progressive communications technology to empower students to achieve their greatest potential.

ICAS OGS BENEFITS

Our contracted customers enjoy a long list of value added benefits and services as a result of a coveted Office of General Services (OGS) Contract for New York State Wiring Services, awarded to ICAS in 2009:

- Cumbersome bid process is eliminated
- Reduced rates and support for network wiring installation
- Comprehensive network wiring services
- Quality contractors
- Certified technicians with the latest wiring infrastructure components
- Streamlined process for requesting and receiving services
